**WATER'S EDGE AT STANLEY CREEK - Blue Ridge, Georgia**

It's easy to reconnect with nature at this waterfront cabin, where outdoor leisure is a top priority. The renovated space is warm and comfortable with all the fixins' for the good life: a fire pit, rocking chairs and plenty of space to gather.

**The Cabin at Squirrel Creek - Newland, North Carolina**

As if its setting in the Blue Ridge Mountains wasn't enough, this enchanting log cabin features a backyard waterfall and trout stream as well. It's the kind of location where you can really reset and recharge; plus, the modern amenities make it easier than ever to relax.

**Fox Farm Ranch - Telluride, Colorado**

The folks behind this luxury getaway describe Fox Farm Ranch as an "80's concept home" that's been reimaged for modern times. It shares a mountainside location with its sister property, the Sunset Chalet, and boasts epic views framed up by shimmering aspen trees.

**Clapper Hollow Cabins & Homes - Upstate New York**

What's better than a single vacation home? A cluster of cabins with another coming soon! Choose from their current offerings (a luxe log cabin, an off-grid tiny home or a modern cabin), or wait for their dream farmhouse coming later in 2024.
